Marsa Sports Club

Established in 1902, the Marsa is a fantastic, traditional club with exceptional facilities: 19 tennis courts, 5 glass back, air-conditioned squash courts, an indoor centre (for TT and Badminton) as well as a large outdoor swimming pool, sun decks, bars and restaurants + it also has Malta's only golf course.

Great facilities to play Racketlon and a great opportunity to sit down with a drink under a palm tree, in the sunshine, to watch the action!

Natalie Paul wins her Sat night semi-final in 2015

Excellent catering facilities, free wifi, a lively bar, Friday night BBQ, Sat night dinner & player's party and a large swimming area open throughout the tournament means that the players, their friends and families will all be looked after very well in the stunning surroundings of the Marsa Club.
